PTSA NEEDS YOUR HELP FOR 2017–2018

Hi!

My name is Sonja Blodgett and I will be the PTSA President at Churchill Jr. High next year. I am excited to be involved at the school and am looking forward to helping with the transition from at 7-9th to a 6-8th grade school. I am encouraged by the parent involvement I've seen so far, and look forward to getting to know you. Please let me know if you ever have any questions or suggestions as we move forward.

We are still looking for some key members of the board, as well as committee members. We are planning to elect the board at the meeting on April 5th (11 am).

Will you please review this document and consider signing up for a specific position if you are able? You can type your name next to the position you'd like or email me. If you have any questions about what is required, please contact me and I will explain the duties and time commitment involved.

If you click on the link above, you will see all the positions we are looking for. However, there are a few jobs that really must be filled for next year. Please consider these:

PTSA President Elect

The president elect supports the president and learns the ropes so that next year we have a president ready to serve. There is a great need for help in the secondary schools for PTSA support. The time commitment is reasonable and it is very rewarding to work with the administration and staff as well as other parents.

Charger Chatter (Newsletter)

We need someone who is willing to put together our bimonthly newsletter. It would be great if this person could attend our monthly meetings, but it isn't necessary. The PTSA board and other will send information to the person compiling the newsletter and they will send it to the school secretary who can send a mass email to the school. Communication will be a big priority to me next year, so I'd love someone reliable and proactive to take this on.

8th grade and 9th grade Promotion Parties.

CHURCHILL'S ANNUAL ART SHOW NEEDS PARENT VOLUNTEERS

Mrs. Searle will have her annual art show next week. We need some help with parent volunteers to protect the art and make sure kids don't write on art/comments or just keep it safe. This is a nice time for the students to be able to show their peers what they have done in art.

She still needs help for the following times (1 parent per shift):

Monday April 10: 8:00 - 10:45
Tuesday April 11: 8:00 - 10:45

Please send an email to tsearle@graniteschools.org if you can help her out.
