

Dear Parents and Guardians,

I am excited to share that our school is implementing a Math & Reading program called *i-Ready*. Below, you will find information on the program and how we will be using it in the classroom.

### **What is *i-Ready Instruction*?**

*i-Ready Instruction* provides students with lessons based on their individual skill level and needs, so your child can learn at a pace that is just right for them. These lessons are fun and interactive, with games and characters to keep your child engaged. *i-Ready* will help us determine how we can best support your child in meeting their learning goals and will provide lessons that fit their individual needs..

### **What can I do to help?**

To further deepen their learning, your child can use *i-Ready* at home. They just need a computer, internet access, Adobe Flash Player, and the login information below. To check if your system meets the *i-Ready* system requirements, please visit [i-ready.com/support](http://i-ready.com/support) and run the system check.

To login to i-Ready, please use the following steps:

1. Open your internet browser and type in: [clever.com/in/Livonia](http://clever.com/in/Livonia)
2. You may sign in with your child's school gmail account by selecting log in with Google  
Username and 4 digit password are the same ones used to log into the computers at school
3. Once signed in, please select i-Ready at the top of the screen.
