Roosevelt Elementary will be participating in the Livonia Goodfellows Food Drive again this year. The Goodfellows, Inc. helps support families needing assistance in Livonia and portions of Westland. This is a wonderful opportunity for our students to learn about charity and lending a helping hand to families in need of support. Being part of an event such as a food drive will teach children that they are part of a larger community and may encourage them to have a healthy sense of empathy toward others and a charitable spirit.

The food drive begins Monday, October 14 and ends Friday, November 15. Each classroom will have a box located outside their door for donations of non-perishable food items to give to families in need. Monetary donations are also accepted and are tax deductible. Write a check out to Livonia Goodfellows if you wish to give a monetary donation and Ms. Stowell will submit to the Goodfellows director. Every single donation is greatly appreciated!

How will the food drive work? A committee of parents, 3rd, and 4th graders will be formed to collect, sort, count, and keep track of each classroom's progress in meeting a goal of total items donated per class. The 3rd and 4th graders will help collect and count the items with our volunteering parents and Ms. Stowell on Thursdays during recess time.
